

## **CONFIRMED COVID-19 CASE IN STAFF MEMBER AT DUNCASTER'S CALEB HITCHCOCK HEALTH CENTER**

BLOOMFIELD, CT, Mar 31, 2020 – A staff member at Duncaster's Caleb Hitchcock Health Center has been diagnosed with COVID-19. The person has not been at work since March 25, is being treated at home and will not return to work until they are cleared by their doctor. The staff member worked solely at the Caleb Hitchcock Health Center, which is a separate building from the residential neighborhoods on Duncaster's 94-acre campus.

A resident of Caleb Hitchcock Health Center was diagnosed with COVID-19 on March 25. There are no other cases on the Duncaster campus.

For more information about Duncaster's ongoing response to the coronavirus, go to: <https://duncaster.org/coronavirus-information/>

### **About Duncaster**

[Duncaster's Caleb Hitchcock Health Center](#) is a 60-bed skilled nursing center located on the Duncaster campus. It offers short- and long-term rehabilitation services, physical, occupational and speech therapy, respite and hospice care, memory care and a full array of skilled nursing services delivered in a comfortable, safe environment featuring spacious private rooms with showers, generous closet space, natural lighting and floor-to-ceiling windows. Services available to Duncaster residents and members of the community at large.

[Duncaster](#), a locally-founded not-for-profit, is located in Bloomfield, Connecticut. A Life Plan Community celebrating its 36th anniversary, Duncaster sits on 94 beautiful acres and offers options for senior adults seeking independent living, assisted living, memory care, rehab services, and long-term care. Duncaster was voted the Best Retirement Community by readers of Hartford Magazine, is CARF/CCAC certified, and rated 5-Star by the Centers for Medicare/Medicaid Services. Call 860.380.5006 for more information.
